

CURRICULUM VITAE

Name: Dr. rer. physiol. Isis Ludwig-Portugall

Nationality: German

Address: Institute for Experimental Immunology (IEI),
University Clinic Bonn, Sigmund-Freud-Str.25.
D-53105 Bonn, Germany
Phone: +49 (0) 228 287 11006

E-mail: Isis.Ludwig-Portugall@ukb.uni-bonn.de

Education, academic positions and functions

Current position:

- | | |
|-------------------|--|
| since 2015 | Principal investigator at the IEI directed by Prof. Christian Kurts, University Hospital Bonn |
| 2013-2014 | Senior postdoctoral fellow of the Excellence Cluster "Immunosensing" |
| 2008 – 2012 | Independent research funded through the DFG (LU 1387/2-1) in the department of Experimental Immunology (IEI) |
| 2004 – 2008 | Post-doctoral fellow at the Institutes for Molecular Medicine and Experimental Immunology (IEI), University Hospital Bonn, funded by a Lise-Meitner scholarship of the German state of NRW and DFG (LU1387/1-1) grant |
| 2000-2004 | Biomedical PhD student, Department of Dermatology, University of Mainz, Prof. A.B. Reske-Kunz

PhD Thesis title: ' <i>Transcriptional targeting of dendritic cells in gene gun-mediated DNA immunization to prevent long term IgE production in type I allergy</i> ' supervised by Prof. A.B. Reske-Kunz in the department of Dermatology, University of Mainz |
| 1995-1999 | Diploma student of nutritional science and home economics at the University Giessen

Diploma thesis title: ' <i>Characterization of a methylotrophic bacteria of the methanosarcina species in temperature optimization and substrate conversion</i> ' supervised by Prof. E.Weigand (emeritiert) Institut für Tierernährung und Ernährungsphysiologie, University Giessen |

Honors and awards

Lise Meitner scholarship from January 2006 till September 2006

Funding

10/2006 DFG research grant LU 1387/1-1 "Rolle regulatorischer T Zellen in der peripheren Toleranz autoreaktiver B Zellen"

10/2010 DFG research grant LU 1387/2-1 "Suppression von Bildung und glomerulärer Deposition von Autoantikörpern durch regulatorische T Zellen"

2016 Bo&merang

membership

since 2014 Animal ethic commission member

since 2004 German Society for Immunology
